All three Payment Options subject to the service terms and conditions including different fees, send amounts, and other restrictions in certain states.

*Above information must be complete and correct on the Blue Quick Collect Send form. Please direct any questions to the respective inmate for clarification.*

2. Give cash and the service fee to the clerk and they will process your money transfer.
3. Once money is sent, you receive a receipt and the correction facility is then sent notification.
4. Then, the transfer amount is credited to the inmate's account by the correction facility per their procedure.
